Furthermore, pursuant to rules published by CDRT, one invitation to compete in the Kentucky Derby will be extended with preference given to the horses with the most points in the "European Road to the Kentucky Derby" series. No invitation will be extended beyond the Top 4 point earners but if a horse also qualifies through America's "Road to the Kentucky Derby" series, the invitation will be extended to the next eligible horse. In the event of any ties resulting from the "European Road to the Kentucky Derby" Point System, preference will be given to the starter that has accumulated the highest earnings in non-restricted sweepstakes as of April 14, 2018. In the case of remaining ties with non-restricted sweepstakes, preference will be given to the starter that has accumulated the highest lifetime earnings as of April 14, 2018. Any horse excluded from running because of the aforementioned preference(s) shall be refunded the \$25,000 entry fee and the \$200,000 supplemental fee, if applicable. After the Closing, CDRT shall designate in order of preference the nominees that are also-eligible to start in accordance with these conditions ("Also Eligible Horses"). If a starter is scratched from the Kentucky Derby before 9:00 a.m. (Eastern Daylight Time) on Friday, May 4, 2018 ("Scratch Deadline"), then the Also Eligible Horse with the highest preference (if any) as determined by these conditions shall become a starter. All starters and Also Eligible Horses must be stabled at Churchill Downs by 11:00 a.m. Eastern Daylight Time on Tuesday, May 1, 2018. Post positions shall be determined by a nontransferable lot number being drawn for each horse named as a starter at the Closing. The lot number drawn for each starter shall determine the post position of such starter. Notwithstanding the foregoing, CDRT may elect to use an alternate method of determining post positions, provided such method has been approved by the Kentucky Horse Racing Commission. Horses having common ties through ownership or training shall each be treated separately for purposes of determining post position. In the event of one or more scratches after the determination of post positions and prior to the Scratch Deadline, then (i) starters with post positions higher than the post position of the scratched starter will be moved to the next lowest empty post position (i.e., toward the inside rail of the race track) and (ii) the Also Eligible Horse that becomes a starter (if any) will receive the lowest post position available after the post positions of the other starters have been moved as provided above. In the event one or more scratches occur after the Scratch Deadline, no Also Eligible Horses will be permitted to start and the post positions shall be moved, without changing the order of the starters, as determined by the stewards and CDRT to be in the best interests of the safety of the race participants. Post positions shall be moved for each scratch that occurs so that there are no empty post positions in-between horses at the start of the Kentucky Derby. Detailed rules governing the post-position draw process are available from the CDRT's Racing Secretary's office and will be distributed prior to the Closing. These rules shall control. The owner of the winner of the Race shall receive a gold trophy and trophies will be presented to the winning breeder, trainer and jockey.
