**Footnotes**
JAKKALBERRY (IRE), reserved off the second flight from just out of striking distance while a bit off the inside in the opening six furlongs, shifted to the inside leaving the second bend, steadily drew into contention while switching out three deep on the third turn, was roused to challenge nearing midstretch and responded to firm encouragement to edge clear in late stages. IOYA BIGTIME moved to gain the advantage racing to the first turn while shifting to the inside, dictated the pace on a clear margin while in hand through the opening mile, was urged to maintain the advantage leaving the third bend, briefly resisted the winner's challenge nearing midstretch but proved only second best in the closing stages. ZUIDER ZEE (GER), urged to gain a contending position three deep in second flight racing to the first turn, continued just off the second flight for six furlongs, angled to the rail leaving the second turn to race along the inside, was urged to challenge inside foes on the third bend, shifted out in upper stretch but failed to maintain terms with the top pair while continuing well enough to prevail for a share. LAKE DROP firmly rated off the second flight to track the pace from out of striking distance near the inside in the opening mile, was urged to gain some position along the rail racing into the stretch while never menacing the leaders. LEMONADE KID settled in last in the opening half, shifted outside foes racing into the second bend, continued off the inside into upper stretch and made an effort to gain some position while making no real impression. HELICOPTER settled saving ground in the opening mile and never mounted a serious challenge. LUMBERYARD JACK tracked just off the pacesetter inside foes in the second flight in the opening mile, shifted out to briefly challenge the pacesetter between foes after twelve furlongs but quickly emptied out on the third turn. LETHAL, reserved outside foes in the last flight in the opening mile, never mounted a serious challenge. BRIDGE OF GOLD pulled his way to a position outside a rival in the second flight in the opening stages stalking the pacesetter under light reserve, continued in that fashion to the second bend and steadily retreated after twelve furlongs.
