**Footnotes**
ARE YOU DANCING broke sharply to gain the advantage along the inside, dictated the pace on a clear margin while in hand racing into the bend, then was roused racing through the stretch under hand urging and a few right handed taps to maintain her margin to the wire. CANDYONMYMIND tracked the leaders unhurried off the second flight from out of striking distance near the inside racing to the bend, gathered momentum midway through the turn while shifting off the inside, angled out four wide in upper stretch and continued with interest to prove best of the others. BUZZ MY BELL ducked inwards at the start, was settled into stride along the rail from well out of striking distance, saved ground to upper stretch while gaining some position and made some mild progress to late stages while earning a share. SKIPPA SWEEP tracked just off the pacesetter in second flight while angling to the inside entering the bend but steadily faded entering upper stretch. LANTIC settled well off the inside racing to the bend, angled five wide entering upper stretch while gaining some position but made no impression on the leaders. I WANT OUT, prominent four wide in early stages, angled inwards entering the bend to make a brief bid between calls racing through the turn but emptied out abruptly nearing upper stretch. DANCING IN RAIN broke slowly and never gained contention. MAD MERCER, roused to contention between foes from the outset, chased the pacesetter three deep to the turn and was spent early.
