Footnotes
FRISKY WARRIOR broke near the top, was urged along contesting the pace from between foes for most of the initial stages of the event, drew clear of the closest pursuers after entering the stretch, and stayed there, kept to the task at hand. FURIOS TEMPO came inward leaving the starting gate, initiating a chain reaction of bumps involving at least three others, went on to grab a forward position, fought for the lead as the widest of three until bearing way to the outside in the vicinity of the three-eighths pole, recovered professionally and worked his way into the four path late on the turn, couldn't keep pace with the winner down the lane, but finished with good courage nonetheless to secure second. BLAKE STREET BULLY was placed four wide at the three-sixteenths pole and rallied for the show. TIMOTHY'S BOY got bumped by the runner up at the start, disputed the pace from the three path and from between foes, backed away after turning for home. STANLEY KOWALSKY was steadied after ducking inward at the break, sat at or near of the pack until the stretch, came home belatedly but had to settle for minor spoils. ROYAL INMATE got knocked sideways just out of the starting gate, was a prominent factor in the early going, was taken back off the ensuing pace fight while making his way to the half mile pole, completed the task when taken momentarily in hand near the three-eighths pole, turned for home three wide, was steadied when another pair shut down his lane in the vicinity of the three-sixteenths pole, failed to regain any real interest thereafter. TUESDAY'S CAT argued for control from the rail with two or more rivals until the quarter pole and tired. THAT'S FOR SURE off the rail, was coaxed on the turn, folded. HAVING A NICE TIME was out hustled and outrun. LET'S DO DINNER slammed just after the start, was no menace.
