Footnotes
ALPHA away in good order, assumed a forward position right after the start, made light contact with TIGER WALK just before reaching the end of the homestretch, getting pushed wider than the four path for a stride or so, raced three wide on both turns well reserved, was asked for a response after settling into upper stretch, was given three light shots right handed en route to kicking away from the competition during the run through the furlong grounds, remained well in front thereafter, hand urged the final furlong. SPEIGHTSCITY appeared unsettled when taken hold of as HOW DO I WIN was tucking along the rail approaching the first turn, found room soon afterwards and was placed at a slight distance from off the inside, began to rate more kindly, continued along on the same scenario for nearly three-quarters, was put to a hard drive after entering the stretch showed enough to get up for the place. TIGER WALK off the inside throughout, was unhurried during the opening stages, departed the backstretch from the three path, was under a drive by the five-sixteenths pole, and rallied mildly to out kick HOW DO I WIN for show honors. HOW DO I WIN cleared the field after the start, and was guided over to the inside, showed the way, well rated and facing only token resistance around the opening bend and down the backstretch, felt some pressure for the first time late on the second turn, succumbed shortly after turning for home and steadily tired. KING KID left the inside coming to the near of the backstretch, angled outward coming to the five-sixteenths pole, was under a drive spinning into the lane from the three path, had no kick. HAKAMA made light contact with the winner heading for the first turn, attended the pacesetter from the outside for three-quarters, and tired.

KEENELAND 2nd Place horse sold through Keeneland Association, Inc.
