Footnotes
BEST ACTOR took up position in midpack after the start, tracked the front runners taking the inside route, placed under a firm hold by the pilot for the opening half, was caught behind traffic for a furlong, beginning at the five-sixteenths pole, maintained position as best as possible, gained clearance in upper stretch as the pacesetter drifting slightly to the outside during the initial portion of the stretch drive, accelerated to the front when given his cue to take control, lengthened away in the final furlong, crossing the finish line under hand encouragement. RED LEADER sat unhurried towards the rear of the field, altered course to the outside entering the stretch, saw more promising clearance down the rail after going a few strides and eagerly dove to the inner fence, finished with good energy to procure the place. OVEREXTENDED darted over to the rail shortly after leaving the starting gate, was swung outward down the backstretch, entered the far turn three wide, turned for home and rallied to grab the show. ALCOMATCH established command in the early stages of the race, set the pace from the inside, under the watchful of SASTRE for the initial half, came under heavy pressure from that foe as well as TAKE DOWN TWO upon reaching the second turn, got set down a short distance from the quarter pole, drifted into the two path in upper stretch, leaving the inside unguarded, proved powerless to stave off the winner's burst of speed, then weakened in the last eighth. TAKE DOWN TWO underwent a three wide journey, made it a threesome battling for the lead during the run around the far turn, kept up the pursuit until the head of the stretch before backing away. SASTRE pressed the issue from between rivals on the far turn and tired. SLEWS BIG FINALE stumbled at the start, stalked the pacesetter from off the inside for six furlongs and tired.
