Footnotes
PENN'S GRANT raced in midpack unhurried while in the three path, came under a drive at the five-sixteenths, spun three wide into the lane, shifted to the rail near the eighth pole, seized command just past the final furlong marker, inched off, was confronted in the last sixteenth by the runner up, dug in under a drive to prevail. RELOAD checked at the start when ENDER KNIEVEL recovered his footing from stumbling, was off a beat slow as a result conceding three or four lengths to the front, came under hand urging at the three-eighths pole while three to four wide and steadily progressed on the leader through the turn, swung four wide for home under a drive, appeared to try to lug in nearing the three-sixteenths, kicked on well into contention with a furlong remaining, confronted the leader at the sixteenth pole eye to eye after shifting in under heavy off sided pressure with the stick and just missed. HOIST lost his footing at the start, was hustled to the front and set the pace from the two path under light hand urging, remained on the front under intensified pressure by a pair through the turn, was let out at the quarter pole still just off the inside, yielded the lead shortly after the eighth pole when beginning to weaken, held for show honors. DA VINCI three wide in close pursuit, came under hand urging at the seven-sixteenths to ratchet up the pressure on the leader, got set down in earnest just past the five-sixteenths and weakened after turning for home. ENDER KNIEVEL stumbled at the start, veered out into the path of RELOAD forcing that rival to check as he recovered his footing, attended the pace from the three path, was under urging nearing the head of the lane, spun three wide for home and tired in the final eighth. TIZ MOE tracked the front inside from just off the pace, came under coaxing to keep pace at the seven-sixteenths, steadily retreated through the turn. ONLY ONE (ARG) taken in hand briefly at the start when ENDER KNIEVEL recovered his footing after stumbling, saved ground towards the rear and was never a factor.
