**Footnotes**
TIZRACER came away from the starting gate alertly and established control, was rated along the inside, lightly pressed by another pair parked in the two lanes just to his outside, both of whom were under some urging while doing so, began to shake them off during the later stages of the run around the bend, turned for home in possession of a comfortable advantage, was a few strides into the stretch run when put to a brisk hand ride, drew off decisively while being kept busy. NEW LINE chased the winner from the three path on the turn, was put to a prolonged drive commencing from midpoint on the turn, proved no match. ROYAL ART was guided over to the inside a short distance before reaching the end of the backstretch, began the run around the bend under urging, was likewise as was the second place finisher set down to a drive by the three-eighths pole, attempted to issue a challenge cutting the corner into the lane, wasn't up to the task and faltered. ORB acted up and broke open the gate prior to the start, had the rider bail out, was backed out, examined by the track veterinarian and re loaded, had only settled back into his stall for a second or so when the field was sent off and running, got away slowly, starting almost two lengths behind the penultimate breaker, raced along the outside, was four wide by the five-sixteenths pole, failed to reach contention. BAD HOMBRE stalked the top one from the two path being urged along while doing so, tired after completing three-quarters.
