Footnotes
SAME OLD WISH sparred in the initial stages from the inside with TROPONIN for nearly a half, shook free just before reaching the half mile pole, felt the presence of MOONHANGER soon afterwards, but only for a couple of jumps, and once more shook free, left the five-sixteenths marker in possession of his biggest advantage, turned for home, head cocked slightly in the direction of the grandstand side and got called upon, lost little of his lead from upper to midstrech, had in well sliced down in size thereafter, but reached the wire safely to prevail, then was pulled up on the clubhouse turn and subsequently vanned off. BOMBER BOY three wide departing the backstretch, was under urging well before reaching the quarter pole, cut into the winner's margin readily in the final furlong, but came up short. SKY MUSIC rode the rail until midway on the turn, vacated the premises to steer around a fading TROPONIN at that juncture, proved no match for the two twosome. R J HOPE was taken hold a short distance out of the starting gate, raced sluggishly in the opening stages, was off the inside making his way on the turn and failed to reach a contending position. MOONHANGER placed under some encouragement in the initial stages, left the backstretch three wide, but tucked into the two path and became the main pursuer past the half mile pole, issued an abbreviated and tepid challenge in the vicinity of the three-eighths pole, was unable to sustain the move, despite set down to solid encouragement and tired. LINCOLN PENNY three wide entering the stretch, was four wide exiting it, tired. TROPONIN contested the pace from the outside for much of the opening half, got shaken off and was guided over to the rail at the seven-sixteenths pole, faded off the subsequent ground-saving journey. HURRICANE HEAT came in slightly at the start, was grabbed hold and pulled away from the nearest opponent, raced along the outside, got roused at the midway point on the turn, offered no pick up in speed and folded.
