Footnotes
JIX well back and three wide, moved up to loop rivals three wide through the second turn, bid on that path into the stretch, then made a steady gain and got up in the final strides. CHIEF I THIRTYFIVE well back and on the rail, moved up to a striking position through the second turn, angled out and bid three wide into the stretch, was blocked, got through between rivals inside the last furlong and missed. RED SHOES set a pressured pace off the rail, appeared hard to rate while on a long lead, then flattened out. LEFTYLUKE void of speed and off the rail, looped rivals four wide through the second turn, then made a steady gain through the lane and got up for a share in the final strides. PROGRAM MANAGER chased the early pace on the rail, dropped back through the second turn, came again through the lane and lacked a final kick. TACTICAL POINT well placed early, moved up between rivals, gained a striking position and faded the final furlong. EASY PLUNDER well placed and inside, looped rivals three wide through the second turn, then had no rally. FULL HORSE POWER vied for the early lead inside, drifted out through the second turn and stopped.
