Footnotes
PLATINUM DEVIL broke to the outside and bumped with PROFESSOR POLLARD, showed in front while establishing position in the three path on the first turn, remained well out in the track to move clear racing about the four path through the far turn and drew off under a good hand ride. SLIGO INCOGNITO saved ground to rally to contention through the far turn, awaited room nearing the stretch then came through along the rail to move clear for the place while unable to threaten the winner. MISSION ENVISIONED prompted the early pace from between rivals, moved to the inside going to the far turn then weakened in the drive while just saving third. PROFESSOR POLLARD bumped with the winner at the start, saved ground to the far turn, moved up in traffic while angling three wide through that bend then could not produce the needed late response. BET ON THE NOSE stalked the pace racing two to three wide, bid in traffic through the far turn then could not sustain the effort. EDGE OF HEAVEN moved up four and five wide through the far turn then fanned seven wide into the stretch. STEVE'S BIG MOE stalked the pace from four wide then came up short in the blanket finish for minor honors. ROOT RIVER KID prompted the pace from four wide early then weakened while six wide into the lane. AUTOMOBILE was not a factor. A. J.'S TURN was just off the early lead racing five wide and tired.
