**Footnotes**

GIRL CODE came out of the starting gate with no apparent mishap, rankly fought against the bit with much force, resisting the rider's attempt to rate, floated the closest pursuers outward for a few strides early on the first turn, gave in to a strong grip on the left rein by the pilot shortly afterwards and tucked along the inside, with the previously-mentioned twosome likewise moving closer to the rail as well, went about more professionally thereafter, shook off JUSTONEOF THEGUYS after about halfway down the backstretch to race without facing pressure from that point onward, drew out comfortably, despite the urgent handling of the two closest chasers, got put to a hard drive entering the stretch, added slightly to the advantage until it was its biggest midway through the furlong grounds, had the rider gear down the mount with seventy yards to go and coasted home. SYLVIA T was eased back and sent over to the rail, remained along inside route, was under a full drive prior to cutting the corner into the lane, proved no match. LADY OF GOLD was forwardly placed from between rivals proceeding towards the end of the homestretch, was taken hold while in tight upon reaching the first turn, getting carried out slightly by the top one at the same time, settled in nicely along the two path in short order, chased GIRL CODE from the outside, was under urging on the far turn doing so but fell back nonetheless, entered the stretch and backed away to get outfinished for the place. JUSTONEATHEGUYS got carried out slightly by the winner during the early stages of the run around the opening bend, accompanied that rival from along the inside for less than a half mile and gave way.
