### Footnotes

I'VE GOT THE FEVER broke well and easily grabbed a forward position, pressed the issue from the two path, unasked for speed, steadily advanced towards the pacesetter during the run around the bend, was only a head shy of the front turning for home, engaged in a head to head battle with HE'S A SCROOGE, began to shake free a few strides past the eighth pole, held safely to the wire, driving. HE'S A SCROOGE was put to some encouragement leaving the starting gate to secure the lead, argued for control with the winner, kept to some coaxing, was the first of the two front runners to commit to a drive, doing so just prior to the quarter pole, held stubbornly during the duel through the furlong grounds, fell back steadily thereafter, but was still well clear of the others for second. SYSTEM RESTORE came three wide into the stretch and went on to best the rest for the show. BUZZ OFF BUSTER settled along the inside early down the backstretch, was under a drive cutting the corner into the lane, faltered. FEROCIOUS WON raced along the outside and was outrun.
