**Footnotes**

HACKLETON got hooked up by the runner up shortly after the start, raced heads apart with that opponent for most of the way down the backstretch and the entire way around the bend, kept on even terms always being the more asked of the frontrunning twosome, was under a drive prior to the quarter pole, as the duo turned for home in a practical dead heat, slowly but steadily began to edge and continued to do so to the end. B SHANNY bumped with CAT IN THE FOREST several strides after coming out of the starting gate, moved up willingly to draw abreast of the top one, raced as a team with that foe until the head of the stretch, with the rider attempting to keep something in reserve, got called upon after spinning into the lane, fell back slightly making his way through the furlong grounds, continued onward with determination but had to settle for being clearly second best. CAT IN THE FOREST made contact with the runner up a short distance from the gate, chased the embattled pair from the two path around the turn, was placed a bit wider at the top of the lane, gained ground gradually. ALCOMATCH dashed over to the rail midway down the backstretch, rode the rail the rest of the way home, was under very brisk handling in the stretch, had no significant rally. BURNED BRIDGES stumbled at the start, was three wide at the midway point on the turn, entered the stretch having already been put to a drive, gave way.
