Footnotes

FASHIONATION put to hand urging leaving the starting gate, gained a short-lived advantage, got out sprinted by a much more frantically-handled SEE ME SOMETIME, tipped into the two path after being replaced on the front end, resumed the chase on the aforementioned rival from the same path after entering the turn, pilot urging the mount along, departed the five-sixteenths pole under a drive, and only then began to narrow the gap, spurred by the leader travelling through the furlong grounds to take charge, lengthened away, kept busy to the end. FROSTY LOVER off the inside, picked up interest and proceeded to get angled outward coming to the quarter pole, commenced the stretch being four wide, mustered up a good kick to garner the place. BAY DAWN acting fidgety, tossed her head just prior to gate opening, resulting in breaking a beat slow, was ridden to take up position in the middle of the field, rode the rail for most of the way around the turn and during the initial portion of the stretch run as well, was maneuvered into the four path coming to the eighth pole, held on well from that point to take the show award. HOT ON ICE was urged along while taking the inside route on the turn, got outfinished. SEE ME SOMETIME sent from the gate, replaced the eventual winner on the lead, was guided over to the rail, got challenged in earnest by that rival as the half was being completed, relinquished and backed away. NURSE STONE saved ground early, fanned four wide into upper stretch, came up empty. GRAMMA G G chased the leader from the two path, pulling on the bit noticeably throughout the opening half, gave way. LO GIN AND TONIC along the inside route and asked for run down the backstretch for run didn't offer any.
