Footnotes

FLEA FLICKER set the pace inside under light hand urging under some pressure to her outside, turned for home in the two path, was set down for the drive, battled through the lane with a stubborn foe to her inside, held on determinedly under a drive to the wire. ORNELLIA tracked the pace inside riding the pocket, cut the corner into the lane under encouragement, rallied with good energy along the rail and just missed. SATIN SHEEKS broke in at the start and was corrected, ranged up three wide in the turn under her own power to be prominent and looming while swinging four wide at the head of the lane, was set down at that station, ran on being out kicked by the top two while procuring the show. SHE'S ALWAYS HOT unhurried in the early stages, crossed to the rail down the backside, saved ground throughout the turn, shifted into the three path briefly at the head of the lane then opted to stay inside displaying a mild kick for the last major share. RAFFIE'S CHANCE broke out at the start bumping lightly with PRIZEMM and was taken off that foe, chased inside until the five-sixteenths when opting to the three path and coming under a ride at that juncture, stayed on the same pace through the lane out finishing tired rivals. PRIZEMM bumped lightly at the start by her errant rival inside, prompted the pace from the two path while prominent for a half and faded. EVA LIL hustled from the start, showed brief speed chasing the front in contention early on before retreating.
