Footnotes

RIOLAMA settled into midpack after the start, patiently rode the rail for just over three-quarters, was put to some light hand urging cutting the corner into the lane, idled behind rivals during the initial portion of the stretch drive, lacking optimal racing clearance, espied a newly-created opening between rivals just as the rider of VACATIONING did, was angled outward and beat that opponent to the clear passageway, kicked in with good energy after completing the maneuver, rolled by to take over with about a sixteenth remaining and drew clear, crossing the wire under light hand encouragement. SOUTH SHORE came out alertly and quickly established control, proved ratable setting the splits from the inside, under the attention of DIXIE ROCKS until nearing the end of the backstretch, had LET THE KITTEN RUN take over the role of stalker at that juncture, felt the pressure building up nearing the quarter pole and was soon asked for a response, gave it without hesitation, to emerged from the furlong grounds with no rival yet attached, felt the winner's presence shortly afterwards, proved no match but finished with good energy to secure second. OPALITE unhurried and between rivals for much of the opening six furlongs, displayed a good kick down the center of the course to grab the show. VACATIONING sat reserved in midpack within range, was forced to remain on hold, traversing behind rivals from about the five-sixteenths pole until mid lane, saw the same lane between foes that the eventual winner did, got beat to the spot, shying outward slightly once that occurred, continued the rest of the way down the stretch, never fully clear. NORMATIVE APPEAL tracked the pacesetter from the pocket, failed to fire when called upon. PERFECT FOREVER off the rail, commenced the stretch run from the five path at the top of the lane, lacked the needed response. WHY NOT MORE three wide on both turns, was no factor. LET THE KITTEN RUN forwardly placed while three wide until the seven-sixteenths pole, gave way. DIXIE ROCKS attended the runner up from the two path for six furlongs, tired. DIXIE IN PINK darted over to the inside shortly after breaking from the starting gate, sat near the back of the pack, drifted five wide into upper stretch while tiring.
