Footnotes

RIVER BLEND progressed from inside, put to a drive two wide on the bend, gained the lead into the stretch, was all out through the lane, drifted out late but held on. FUENTE COMIC broke alertly, was soon sharing the lead from between horses, in path three on the turn, drifted out badly leaving the bend, lugged in after entering the final furlong then drifted out again in the waning yards. WHATSFOREVERFOR tried to break outward, was steadied, lost considerable ground widest through the turn, lugged in some as she made a strong move in the lane, was too late but clearly best of the rest. FIVE HUNDRED BEANS crowded at the start, jostled briefly with BOLD PROGRAM, was soon pressing the early speed from between horses, three and four wide taking the turn and slowly yielded the last eighth. NO TRICK stumbled after the start, showed no speed from outside, four wide on the turn, fanned out to path six for the stretch run then improved position without threatening. PROBY was soon well back, though urged along, just off the rail on the turn, altered out to the middle of the track for room midstretch and steadily advanced. MAZEME in midpack between horses on the backstretch, angled in entering the bend, swung out three wide for a clear path into the lane then leveled off the final eighth. TIGER JACK away slowly, saved ground taking the turn, progressed in the stretch, was altered outside the fading ROYAL TRAVELER with a sixteenth to go then checked trying to stay clear of the later in the waning yards. WISHNDONTMAKEITSO also stumbled after the break, showed no speed, was just off the inside on the turn, swung out five wide entering the lane, steadied as he path narrowed upper stretch and was altered out inside the last furlong. BOLD PROGRAM jostled briefly with FIVE HUNDRED BEANS at the start, ran in midpack toward the outside, came four wide into the stretch and flattened out. ROYAL TRAVELER broke inward, took the lead before finishing the first sixteenth, set a pressured pace from inside but tired for the drive.
