Footnotes

MR. VANTASTIC advanced steadily into a forward position down the backstretch, was coaxed along tracking the front runners, taking the inside route, eased off the rail and was set down in the vicinity of the five-sixteenths pole, altered course for better clearance about a quarter of a mile down the road, forged towards the front during remainder of the run through the furlong grounds, wrested away the lead just past the eighth pole and edged clear, being kept busy. GREEN BANANAS left the backstretch three wide, was looped by SIX GUN SHERIFF soon afterwards, was forced to spin four wide into the stretch, to clear a wall spread out three deep, losing a bit of ground and momentum as a result, got going shortly and displayed a good kick to garner place honors. IDOL IMAGE was planted in the two path soon after departing the gate, swung from there into the stretch under a drive and kicked in with late foot to grab the show. ZONE BREAKER pressed the pace between rivals on the turn, was let out nearing the top of the lane and worked his way to a narrow edge, had it taken away by the top one soon after leaving the furlong grounds and steadily weakened thereafter. EVEN FRISKY was lightly urged from the start to grab the early lead, settled along the inside once in control, was the innermost of a threesome slugging it out for command on the turn, was already set to a stiff drive by midpoint, held stubbornly until midstretch and gave way. SIX GUN SHERIFF moved up nearing the end of the backstretch, issued a three wide challenge for command but had little left to offer turning for home.
