**Footnotes**

BOISTEROUS settled into the middle of the field before reaching the crown of the opening bend, stalked the pacesetter under a good hold by the pilot, well within striking distance, sailed along on the same scenario until approaching the five-sixteenths pole, slipped into the three path at that station, bided time for a little while longer then got asked for run to challenge for command just as the field was turning for home, outkicked the front runners during the run through the furlong grounds to reach the eighth pole with none latched on, drew clear of LAKE DROP in the final furlong, being flashed the whip from the right side constantly. LAKE DROP strung out in the three path on the opening bend, worked out a tuck to be two wide early down the homestretch, raced unhurried, as well did all the others, was briefly three wide leaving the backstretch, got eased back into being three wide nearing the quarter pole, paused, wedged between opponents before beginning the entrance into the stretch, found enough space and tipped to be four wide, was set down to a hard drive after having done so, was the second to arrive at the furlong marker, ducked inward and continued onward willingly down along the rail in the late stages en route for the place. PHILLY ACE contently tracked the pacesetter while sitting a loose pocket, angled out coming to the head of the stretch, tried to close the gap from between rivals from midlane to the sixteenth pole, proved no match for the top twosome. WESTSIDE CORRAL rated stalking BOMBAGUIA from the outside until late on the third and final turn, had no rally. GAME BALL got off a beat slowly, loped along as the trailer while taking the inside route, vacated the premises in the vicinity of the three-eighths pole, was the widest off all entering the final turn as well as the widest of all exiting it, commenced the stretch drive from the five path, lacked the needed response. BOMBAGUIA broke well and established control nearly instantaneously, set soft fractions well rated from the rail and under attention from WESTSIDE CORRAL all the while, came under intensified pressure entering the third turn, yielded to it by upper stretch and faltered.
