Footnotes

JUSTLEAVEMEALONE broke quickly from the starting gate and took up a forward post, assumed the role of stalker, with the rider atop with a firm hold on the reins, patiently kept a watchful eye on the pacesetter, parked in the two path just off that one's hind quarters, ranged up to issue a challenge for command during the later stages of the run around the bend, poked a head in front as the top twosome spun into the stretch, continued on even terms with the runner up for an additional sixteenth before being asked for a response, shook free after having done so, drew away the last eighth pole kept to a strong hand hand to the end. EVAN'S ROCKET grabbed the lead soon after the start, was rated while showing the way from the inside, got put to the test by the eventual winner coming to the quarter pole, fell back slightly, raced heads apart with the top one until the vicinity of the three-sixteenths pole, held on well to secure second. MONEY MAGNET tracked the front runners while racing towards the inside, angled outward at the five-sixteenths pole, proved no match for either of the first two finishers. SKY FEVER saved ground until the quarter pole and bested the rest. BY M K taken in hand at the break, was quickly guided over to the inside, vacated the premises approaching the half mile pole, failed to fire when called upon. NORTHERN WARRIOR ducked over to the inside near the half mile pole and tired. KATY'S OFFICE GIRL was never involved. REAL GLORY acted up in the gate prior to the start, was initially put to a strong hold as the field was sent off and running, settled into midpack after leaving the opening bend, raced in the three path on the far turn, folded.
