Footnotes

KATY'S OFFICE GIRL was patiently handled from the two path during the initial half, began to advance into contention departing the backstretch, picked up speed coming to the five-sixteenths pole, still having not been asked for her best, angled three wide into the stretch, gained ground readily, grabbed the front a few strides past the sixteenth pole and drew clear under steady hand encouragement. VOYAGER sat reserved while taking the inside route, came off the rail leaving the backstretch to clear a fading rival, was asked for some run heading for the quarter pole, cut into the weakening leader's margin with every stride during the ensuing furlong, gained a narrow and short-lived advantage coming to the sixteenth pole, proved no match for the top one when that foe arrived on the scene, quickly succumbing, but continued onward with good courage for the place. DI COLAS OFFICER sparred with MARIE'S BABE while travelling in the two path, put that opponent away after completing a half, was maneuvered over to the rail once sufficiently clear, drew out to a commanding lead during the run around the second bend, began to shorten stride noticeably approaching the three-sixteenths pole, yielded the lead a furlong later and went on to weaken into the show slot. ILLGIVEYOUWATTEVER well positioned along the outside under a firm hold, tired. MORGANE'S PRINCESS saved ground to no avail. MARIE'S BABE dueled from the inside for a half and wilted.
