Footnotes

TIME OFF unhurried for the first mile and a half, made steady progress in the final turn and was right behind the leader jumping the last and caught tiring EASY REACH in the final strides. EASY REACH going easy on the front end, had lead jumping the last and weakened in the final stages. HI FLYIN INDY close up for a mile and a half, fell back going down the backstretch for the final time, came again in the far turn and going to the last jump but was outrun by the first two through the stretch. NOT FOR PRIDE was allowed to settle off the pace rallied in the far turn and got within striking distance in upper stretch then weakened. JOHN WYATT not far off the pace, was shuffled back going down the backside got back in contention on the final turn then tired badly. TERKO SERVICE was right there on the inside when he fell at the second to last jump.
