SPA CITY FEVER away in good order, was the leader for a good portion of the way down the chute, was under a firm hold getting eased back and conceding the front to MARILYN'S GUY, reattached himself to that opponent in short order, had the pilot take a peek back at the runner up while shaking free nearing the five-sixteenths pole, after having been rated going head to head with the leader for the prior furlong, turned for home under assault from BIG SCREEN and was set down, drifted out a couple of paths after being fed some intermittent left handed stick work, had the rider switch the stick to opposite side and maintained a truer course thereafter, kicked away during the final furlong, was under a vigorous hand ride crossing the wire. BIG SCREEN stumbled badly after the start, recovered from it and contently stalked the front runners from off the inside, crept up towards them after going halfway around the turn, tipped three wide and ranged up to confront the winner, entered the stretch alongside that foe and called upon for run, gained no additional ground. MARILYN'S GUY moved past the top one in the early stages to take over the advantage, was sent over to the rail at the head of the backstretch, had the winner increase his presence soon afterwards, raced on even terms with that rival before getting displaced, despite getting asked for some run, retreated.
