Footnotes

MR RODRIGUEZ put to urging nearly from the get-go, locked up with the runner up in spirited tussle, went at it head to head with that opponent from the two path during the abbreviated run down the backstretch and for the initial portion of the run around the bend, shook free and entered the stretch with no one latched on, began to drift upward upon arriving at the eighth pole, continued to draw off nonetheless, still hand ridden while occasionally being flashed the whip from the right side. HOLY ENDEAVOR hard used leaving the starting apparatus, quickly tucked along the rail, sparred with the top one on nearly even terms until about midway on the turn, fell back steadily unable to keep pace, remained well clear of the trailers to garner the place. WEST BAY ROAD somewhat flatfooted as the gate was sprung open, ducked inward slightly reacting to the stick work being applied by the pilot on the right shoulder as motivation, raced from off the inside on the turn being urged along, came three wide into the lane, had no gain. PATRIOTIC DUTY bobbed while starting to come inward at the break, was put to some urging soon afterwards, swung four wide into the lane and tired.
