Footnotes

MISCHIEF MAKER settled into midpack after the start, departed the backstretch from the three path, advanced steadily to join up with the front runners by the three-eighths pole, went by and turned for home, accomplishing all without need of encouragement, extended the advantage when put to a light drive in upper stretch, left the sixteenth pole still comfortably in front and got geared down. ISLARAMA got off a beat slowly, raced from off the inside leaving the half mile pole already under some urging, was placed four wide and under stronger handling at the five-sixteenths pole, preparing for the stretch run, entered the stretch and was set down to a hard drive, had to settle for being second best. SUGAR BEACH slipped off the rail late on the turn, proved no match for the top twosome. MARY P. JONES fanned six wide into upper stretch and went on to improve position by weak and tired ones. LIL'BELLA guided over to the rail nearing the end of the backstretch, disputed the pace until the quarter pole before backing away. SWEET KAKES contested the pace from the outside an tired. MARCY was never involved.
