PRISSY patiently prompted the pacesetter from the outside, ranged up to make her presence felt more upon reaching the far turn, raced on nearly even terms with EVENING GARDEN the remainder of the way around it, with the pilot of neither mount asking for any serious run, entered the stretch and got called for a response, about two jumps after the previously mentioned rival was, won the duel through the furlong grounds to arrive at the eighth pole in charge, dug in well the last eighth to prove best. NORMATIVE APPEAL took the inside route, left the rail in midstretch, split rivals in the vicinity of the sixteenth pole and came home with good energy to procure the place. VACATIONING was strung out three wide for most of the way around the opening turn, continued along the outside down the backstretch and around the subsequent bend from the outside but closer to the rail, entered the lane and altered course out a couple of lanes in upper lane, got straightened away and charged down the center of the course displayed a strong, but belatedly kick to take the show. PRAISE BAND was rank during the early going, had the rider grab hold thrice before settling down after entering the backstretch, raced from off the rail in midpack, was already under strong encouragement spinning four wide into the stretch, lacked a solid closing punch. LET THE KITTEN RUN saved ground in the opening stages, was grabbed hold off heels as the EVENING GARDEN was tucking along the rail, this occurring just before departing the first turn, stayed within range, got placed three wide at the top of the lane, failed to make headway on the front runners. EMPIRE DESIRE urged cutting the corner into the lane, had no rally. EVENING GARDEN was guided over to the inside just before reaching the backstretch, showed the way from there, being rated and under the attention of the eventual winner, had that rival draw alongside about midpoint on the second turn, was the first of the two front runners to commit to anything than light urging, doing so a short distance prior to arriving at the quarter pole, remained a prominent factor for another eighth before retreating. DOWN WEST darted over to the rail soon after the start and took the inside route around the first turn, was taken outward and placed into the three path midway down the backstretch, travelled in that lane during the run around the far turn, gave way after leaving the quarter pole.
