CAPTAIN DAVRICK was lightly bumped a few strides after the start, showed no ill effects from the slight contact and took control, took up position in the two path, cutting the pace, well rated, began to edge away from the competition during the later stages of the run around the bend, had the pilot atop with the barest of hand movement the length of the stretch, except for a mild hand ride for about a sixteenth starting from the eighth pole. GREELEY PACK bobbed then brushed with NEVER NAKED at the break, chased the winner on the turn, mostly from the same path taken by that opponent, was angled outward spinning into the stretch, proved no match. GOLD BUFFALO stumbled badly after being torpedoed by an incoming EVERYDOGHASHISDAY at the start, got steadied by the rider, weaved inward and outward afterwards, when not striding out greenly while proceeding towards the half mile pole, settled down more professionally upon reaching the top of the turn, unleashed a solid run from well off the inside to reach a contending position by the quarter pole, spun four wide into the stretch with good momentum, maintained it for a little while longer before flattening out. HERE HE FITZ three wide midway on the turn, had no rally. NEVER NAKED bumped lightly from both sides just out of the starting gate, chased the winner three wide for a half before giving way. EVERYDOGHASHISDAY swerved out sharply at the start, had the rider attempt to pull away from GOLD BUFFALO but bumped with that foe nonetheless, quickly tucked along the rail and rode it for almost a half, swung three wide into the stretch, then was allowed to drift outward to be widest of all, about six wide when all was said and done, with a furlong remaining, had no impact.
