Footnotes

RULER ON ICE away in good order, moved up willingly into a forward position, sat perched just to the outside of the pacesetter, contently stalked that rival with the rider sitting with a firm hold on the reins, gradually ranged up departing the backstretch, moved when ready as the pair neared the head of the stretch, forged to the front during the run through the furlong grounds, but with several foes still in hot pursuit, then dug in with good determination to prevail. STAY THIRSTY patiently tracked the front runners from the two path under a firm hold, stayed within good striking distance down the backstretch, was guided over to the rail at the half mile, picked up the pace under some encouragement from the five-sixteenths pole, cut the corner under stronger handling and took off in earnest after the front runners, closed in with good energy to loom boldly at the eighth pole, could gain no additional ground but continued on

with good courage to garner place honors. BRILLIANT SPEED strung out in the four path around the opening bend, continued well out in the track down the backstretch, went on to take the overland route on the far turn, responded positively when given his cue, moved up menacingly as the field headed for the quarter pole, lost none of his momentum spinning very wide for the stretch drive, finished gamely to earn the show. NEHRO darted over to the inside, tucking along the rail a few strides before reaching the first turn, saved ground until the quarter pole, angled out entering the stretch and rallied mildly to improve position. SHACKLEFORD out broke the field, angled sharply over towards the inside, was rated on the front end, alternating between the two and three path, under the watchful eye of RULER ON ICE , was put to encouragement as the pressure intensified nearing the quarter pole, remained a prominent factor for an additional eighth, weakened steadily thereafter. ANIMAL KINGDOM was bumped by MUCHO MACHO MAN a few strides leaving the starting gate, stumbled badly, causing the rider to lose the left iron, had the rider regain it just prior to reaching the first turn, sat well reserved off the inside for the opening mile, unleashed a powerful four wide run from the half mile pole, circling past rivals to reach contention by the end of the turn, but could not sustain the bid. MUCHO MACHO MAN shied from outside pressure coming from ISN'T HE PERFECT just out of the gate, making contact with ANIMAL KINGDOM as a result, went a short distance after the incident before settling into full stride, raced three wide on the opening turn and well off the inside thereafter, kept within striking distance until upper stretch and tired. SANTIVA underwent a wide journey and was through after completing a mile. MONZON raced off the outside, was asked for a response on the far turn and came up empty. MASTER OF HOUNDS off to a stutter step start, was no factor. PRIME CUT was never in contention. ISN'T HE PERFECT came inward at the break, pressuring MUCHO MACHO MAN into ANIMAL KINGDOM, raced towards the back throughout and tired.
