### Footnotes

CEASE off a beat slowly, was quickly guided over to the rail, rode it for nearly a half, was asked for some run and commenced to get angled out three wide, entered the stretch and was called for his best, gave it, forging his way past his barn mare to poke a head down in front with an eighth to go, edged away while kept to some encouragement almost to the end. CONGRESSIONAL PAGE contently kept watch on the pacesetter from the outside making his way down the backstretch, cruised up after entering the turn and drew directly alongside the leader at the three-eighths pole, pilot atop with a snug grip on the reins, continued to race side by side with REIN KING, with the latter needed strong encouragement to remain on even terms late on the bend, gained a slim advantage nevertheless, was in the vicinity of three-sixteenths pole with the winner bearing down hard when finally called upon, fell back by a sliver a sixteenth later, finished well though to be well clear of the others for the place. TALK THERAPY roused from the get-go, abandoned the inside route in upper stretch to no avail. REIN KING leaned on TIZ YANKEE for several strides after coming out of the starting gate, went on to gain the advantage and was sent over to the rail, got pounced upon by the runner up as the half was being completed, needed a drive to keep pace with that one during the later stages of the run around the bend, retreated steadily once into the stretch. TIZ YANKEE rubbed shoulders with REIN KING right after the start, raced from off the inside, swung five wide into the stretch, had no offering.
