SILVER SHOT bumped at the start, went on to secure a prominent position, raced in the three path vying for command from between rivals on the turn and while making his way through the furlong grounds, worked his way to a slim advantage during the final furlong, clung to it stubbornly, yet between rivals, to prove best. ST. SINCERE bobbed slightly outward, bumping with the winner right afterwards, underwent a ground-saving journey, was lightly hand urged keeping abreast of GIULIO CESARI and thus keeping that opponent parked out in the two path, launched a rail rally, hesitated for a couple of jumps in upper stretch lacking optimal racing clearance, gained it back soon and continued on willingly for the show award. NO NUKES made light contact with PERFECT COCONUT at the start, raced from off the inside, was racing as a team with COMMANDING OFFICER from the two path when set down to a hard drive at the three-eighths pole, closed the gap somewhat late on the bend, altered course for better racing room in the vicinity of the three-sixteenths pole, bumping with and knocking aside the aforementioned rival in the process, came home willingly but had to settle for the show. GIULIO CESARI disputed the pace from between rivals, a total of three in all, from the two path until midstretch, continued on gamely even surrendering the advantage past the eighth pole to earn the last major check. COMMANDING OFFICER three wide and already under a drive by the three-eighths pole, was bullied and bumped by NO NUKES in upper stretch as that foe sought to carve out his own escape route to the outside, held on reasonably well to the end. WOBURN in the four path, pressed the issue as the widest of a foursome to midstretch, backed away steadily once by the eighth pole. OMOS JOURNEY three wide and driving at the midway point on the turn, fanned into the seven path during the initial portion of the stretch drive, came up empty. PERFECT COCONUT brushed at the start, saved ground on the turn while never contending and got eased.
