PURPLEGREENANDGOLD stalked the early pacesetter from the outside, drew abreast by the three-eighths pole, raced as a team with RUMBLETOWN for the remainder of the run around the bend, proceeded down the lane for a couple of strides before being asked for run, poked a head down in front at the eighth pole and edged away. RUMBLETOWN one of only two to leave the starting gate unscathed grabbed command early, had the top one range up to apply pressure coming to midpoint on the turn, was the first of the two front runners to commit to encouragement, doing so just prior to the quarter pole, continued to duel on nearly even terms during the ensuing furlong before relinquishing, continued onward to salvage the place. DOODLEMAN bumped at the start, chased the duelers around the turn, proved no match. GUNS ARE LOADED got bumped at the start, left the backstretch three wide and tired. GO TO THE NET stumbled at the start, was placed four wide at the three-eighths pole and under a full drive a sixteenth later, folded. WIN THE DAY bumped with GUNS ARE LOADE after bobbling at the break, raced sluggishly and dropped far back, took the inside route thereafter while being ridden out. GINOWILLIETWOSHUES made contact with DOODLEMAN after stumbling badly at the start, was asked for a response at the five-sixteenths pole and fizzled out.
