**Footnotes**  
ALEX'S TOMCAT ducked out at the start, was quickly righted, then went clear soon after the break, dueled for command along the inside through the bend, then edged away under steady prompting. POWER MONGER stalked the pacesetter racing four wide to the bend, went up to engage that foe on the turn, pressed the issue into upper stretch but proved no match in late stages. I'M FEELING LUCKY, off a bit awkwardly, was righted to track the leaders between foes racing into the turn and continued evenly in the final stages to gain a share. SILVER WILBUR tracked off the leaders after the start, was steadied, then exchanged bumps with RIBOT'S GIFT nearing the turn, angled out while forcing out that foe racing four wide into the lane but had no rally. RIBOT'S RIFT was rated outside foes after the start, steadied a bit while exchanging bumps nearing the turn, then was carried out racing into the lane while never gained contention. STORMY MARKET was a brief factor along the inside, but soon faded after a half. ROCKIN ROCKET reared at the start, then refused to leave the gate.
