Footnotes

POLISH DOLLAR was away alertly to set the early fractions from off the rail, was kept at a safe distance from BIG DADDY'S VISION throughout and held that rival at bay to the wire. BIG DADDY'S VISION broke sharply to chase the winner from the inside throughout and failed to gain on that foe in the drive. BUDDY DAVE lacked early speed, raced off the rail through the turn, angled out further nearing the quarter, drifted inward late and finished with good energy. PRINCE GIDDYUP was off as step slow, showed no early speed, raced wide through the second turn and did not threaten. DOCTOR PAV was never far back while racing from off the rail, steadied from between foes late and unseated his rider. The stewards conducted an inquiry concerning the steadying and unseating of the rider of DOCTOR PAV and after reviewing the films concluded BUDDY DAVE had caused the incident by drifting inward and impeding DOCTOR PAV and was disqualified from third and placed last.
