Footnotes

EXPLOSIVE WAR was hustled away to a clear advantage along the inside soon after the break and held sway to the end under steady pressure. FIRST TRUMPET broke outwards bumping OH SO LO, was quickly righted to gain a forward placing, tracked the pacesetter from just out of striking distance, closed the gap on that foe in late stages but was always second best. I'M NO PLUTO tracked the pace between foes in the second flight racing into the bend and continued evenly for a share. DEVILS TOWER settled off the inside in the opening stages, shifted out on the turn and improved his position racing five wide into the stretch. ASK EDDY tracked the leaders in second flight racing three deep into the bend and came up empty after a half. GRUBBS settled outside foes in early stages, then improved his position four deep between foes racing into the stretch. MY TIME IS NOW tracked off the second flight, angled inwards racing through the turn but lacked the needed late response. NO GOOD DEED tracked the pace in second flight along the inside and steadily faded after three furlongs. OH SO LO hopped in the air, then was bumped and forced to steady in close quarters at the start and never menaced thereafter. SNOWKIN' GUN tracked the leaders unhurried along the rail but never seriously menaced. PAPA JIGGS never seriously menaced. PAPA W BROUGHTON was steadied in tight quarters at the start and never menaced thereafter.
