**Footnotes**

TAPPIN'BLUES stalked the pace from the two path into the turn, bid in mid-turn to move clear, continued to widen into the lane and was put in hand when far in front the final sixteenth. IDEALLY set the pace while under pressure into the turn, was no match for the winner into the lane and finished far clear from the next foe. ISTAN'S FURY was in the three or four path through the turn and moved up to be a distant third. BAROMETRIC PRESSUR hit the gate at the start and was brushed by rival, raced in the three path through the turn and into the lane,moved farther out for the drive and moved up while never a threat. HAM I AM was in the four or five path through the turn and into the lane,moved even wider for the drive and never threatened. HONORABLE CAUSE chased the pace along the inside into the turn then tired. OH YEAH DADDY LIKE was in the three path into the lane and dropped back when tiring badly. RUSH OF THUNDER tracked the pace along the inside into the turn then retreated. MASTER PHIL was done early while along the inside and dropped far back.
