Footnotes

DARKWATCH was never far back, stalked the leader got to the lead avoiding a fallen foe at the last and drew clear in the stretch. PULLER was always close to the pace, jump the last avoiding fallers to take over the second spot but was no match for the winner. DAX trailed the field for the first circuit, quickly got into the race on the backstretch for the final time, was in striking distance jumping the last but could not gain further ground. AHGOGO raced mid pack, lacked late kick. SAND BOX RULES was no factor. DAHOUD (NZ) was never a threat. BATTALION was in contention when he fell at the last jump unable to avoid the other faller. TWOJOHNSANAJACK had command from the start, had lead going to the last and fell at that fence. ALLERGEES stopped after a mile and a half and was pulled up. CREPE AU SUCRE was pulled up after the second jump because his saddle slipped.
