Footnotes

ELEVEN GAGE veered in sharply in the initial stages forcing both PISTOL PROOF and CJ KINGPIN inward, settled well, launched a strong five wide rally in the stretch and was driven clear. COP GOT EVEN found a good striking position, slipped through on the rail in the stretch and closed steadily. DR LEVIT chased the pacesetter yet failed to muster the necessary finish. WIN THE KNOCK OUT set modest fractions yet tired in deep stretch. BLUE DRIFTER prompted the pace four wide and faltered. PISTOL PROOF was carried in badly just after the start with his rider forced to steady, moved six wide into the stretch and had no rally. TRUNCHEON stumbled at the start, could not keep up with the pace and was no factor. C J KINGPIN was bumped and forced into the gap just after the start, steadied as a result and failed to recover. Following the race, the stewards conducted an inquiry into the initial stages of the race. After reviewing the videotapes of the race, they disqualified ELEVEN GAGE and placed him last for interfering with PISTOL PROOF and CJ KINGPIN soon after the start.
