**Footnotes**

KINGPIN RYNO sped to the early lead and showed the way down the hill, was inside a three horse spread crossing the dirt, inched away at the top of the stretch and drew clear in the final furlong. BLU JON chased the pace on the outside down the hill, swung to the far outside at the top of the lane, rallied through the final furlong and gained the place on the wire. PRIME NUMBER stalked the pace inside a rival approaching the dirt crossing, came into the stretch between horses, went after the leader at the top of the lane, could not keep pace with that one and lost the place on the wire. DYNAMIZE was bumped at the start and steadied between horses, saved ground chasing the pace down the hill, remained inside for the stretch drive and improved his position. ROCK OFF was bumped at the start, angled outside coming down the hill to stalk the pace outside a rival, came across the dirt three deep and weakened in the final furlong. HE'S VERY RARE stalked the pace on the outside coming down the hill, was caught three wide across the dirt and four wide into the stretch and weakened in the stretch drive. WORLD RENOWNED stalked the pace on the inside, was in tight and shuffled back some down the hill, saved ground crossing the dirt and fell back through the lane. VADER broke inward and slowly and was bumped at the start, angled out to stalk between horses down the hill and fell back through the stretch drive. Rail on hill at zero.
