Footnotes

MOUNTAIN TOWN far back off the early pace activity along the outside, was angled outward during the initial portion of the stretch run, made steady progress on the front runners, spied a wide open corridor along the rail leaving the eighth pole, altered course sharply inward to take advantage of it, spurred by a pair of weakening rivals, then had just enough of a head start to stave off the fast-closing runner up. EIGHTH AVENUE lagged towards the back of the pack while kept well off the inside, moved up willingly during the late stages of the run around the bend, swung four wide into the lane, found his best stride during the last eighth, closing fast down the center of the strip, ran out of real estate and had to settle for place honors. DAWLY needed several attempts before being loaded into the gate, proceeded to break slowly and slightly outward, got put back on course in short order, settled quickly into stride about midway on the turn, rapidly towards the embattled pace fighters, was fanned four wide into the stretch, got back going after being straightened away, finished with good late energy en route for the show. WICKY JONES was backed out of the starting gate, after acting up just before the first try to send the field off and running, proceeded to come away in good order, contested the pace three wide, matching early speed against three other opponents, was overhauled by several rivals during the final furlong, but held well enough to garner the last major share. IT'S MY PARTY vied for the lead between rivals, remained prominently placed before steadily weakening during the last eighth. THANKFULNESS disputed the pace from the four path, being the widest of the quartet involved in the early skirmish, gave way after leaving the furlong grounds. RY BREAD contested the pace along the inside, with three others to her outside, faltered after reaching the five-sixteenths pole.
