Footnotes

CEASE away in good order, assumed a forward position soon after the start, pursued the leader three wide, moved up gradually proceeding down the backstretch, with the rider still holding something in reserve, made his challenge when ready coming to the five-sixteenths pole, gliding past the now fully extended former pacesetter to take over, was put to a brisk drive after settling into upper stretch, emerged from the furlong grounds with a commanding advantage, was granted a respite with about a sixteenth to go, before re put to a vigorous hand ride for the last seventy yards. SPRINGCOURT acted up in the starting gate after being loaded in, resulting in the rider bailing off, was backed out, given a once over by the veterinarian then reloaded, proceeded to come away in good order, attended the pacesetter from the outside during the opening stages, coaxed along to keep pace, was allowed to fall back a bit nearing the end of the backstretch, though still well within striking distance, angled outward turning for home, got called upon, but had to settle for being second best. EASY REACH broke alertly to grab the front, took up residence in the two path, showed the way, well rated and only lightly pressed, got put to the test by the winner nearing the five-sixteenths pole, was set down to strong encouragement, yet readily yielded, tired steadily thereafter. DEPRECIABLE off the inside, was never involved. RIVENDELL saved ground during the run around the opening bend, vacated the premises upon reaching the backstretch, alternated to being two to three wide, was through after completing six furlongs. EMPIRICIST off a beat slowly, trailed throughout.
