Footnotes

PROFESSOR PALMER gained a forward placing along the inside leaving the chute to track just off the pacesetter racing into the first turn, switched outside that rival stalking the pace under firm rating for a half, steadily advanced on the leader to challenge racing into upper stretch, gained the advantage and gamely held several rivals at bay to the end under firm handling. LIQUIDITY TRAP moved to a contending position three deep between foes leaving the chute, continued outside a rival into the backstretch tracking just off the leaders, was urged to advance three deep between foes on the far turn, moved to terms with the winner in that path nearing midstretch but couldn't match that foe while narrowly prevailing for the place honors on the wire. UPKEEP angled nearer to the inside while moving to a forward placing leaving the chute, tracked the leaders inside foes in second flight to the far turn, came around a tiring foe to advance along the rail in late stages and was making steady progress inside foes to the end. TAKEPOINTSANDRUN worked his way to the inside early while dropping off the second flight racing to the backstretch, shifted out five wide racing into upper stretch and continued with a steady bid to close the gap. PRESS BARON (GB) tracked the leaders outside foes off the second flight early, lodged a brief, four wide bid between foes racing into the far turn but steadily faded in the drive. SAMSON ROAD was settled last near the inside early and never gained contention. I CAT tracked off the second flight between foes in the opening half and lacked the needed late response. SKIFFS BREWMEISTER settled between foes in early stages, angled out five wide racing into the far turn but proved no threat. NACHAS AND JOY joined the pace four racing through the chute into the straight, was urged clear into the first turn to dictate the pace on a narrow margin into the second bend but emptied out abruptly once headed racing into upper stretch.
