⚠ Bettors may be making a very risky move with this jockey given his record working with a 1st time starter (48 starts, 6% wins, -71% ROI). ⚠ The combination of Brandon Meier and Donna L Dupuy isn't on track recently.
 ⚠ Have to be leery with horses trained by Donna L Dupuy right now - on a cold streak.

• Tread lightly - try just wasn't enough last time. • Trainer statistics with recent claims have been poor (12 starts, 8% wins, -45% ROI). • This colt wilted in the lane - not a positive signal.

⚡Tom Dorris has not gotten the best out of this gelding (7 starts, 0% wins). 🐎Finished in the second half of the pack last time - not a terrific sign. 🐎Tough to play this gelding today - handler on a down cycle in recent times.

Could be tough to bet on after that last stretch effort. Tread lightly with this horse - connections have been a bit cold when teaming up. Don't really like the latest attempt - in the back of the pack.

Very hot horse keeps the victory train rolling. Have to be leery with entries trained by Alnaz Ali right now - on a cold streak. A horse coming back this quickly after a strong outing is a good signal.

Thomas F Tomillo can make a nice-priced score with this steed. Nice power rating. Don't see her as a sure thing after that last affair. Class droppers out of this trainer's barn have not produced good dividends (-30% ROI).

Surprise package - the public may miss out on this horse, ranked well on power rating. Tread lightly with this horse - connections have been cold when teaming up. Can't knock the in the money finish last time around the track.

This less than sharp equine didn't finish in the top half of the field in the last race. Could be tough to invest in after that last stretch performance. Trainer/Horse combination leaves much to be desired (12 starts, 8% wins, -83% ROI).

Tough to play this colt today - handler on a down cycle these days. This colt is in fine physical condition - ended up strong in last outing. Hard to wager on these non-winning types on the win end.

Last race was a strong try. Hard to play any equine that cannot even win one time in her last ten races. Dam's turf offspring have not produced good dividends (67 starts, 6% wins, -69% ROI).

Didn't finish in the top half of the field last affair - might have to expect the same result today. Tired in deep stretch in the last race. Tough to play this equine with this trainer's lack of recent good fortune.

The addition of bandages last time out is usually a sign of slumping form. Anthony Mitchell hasn't been getting victories when putting Rene R Douglas up aboard. Tough to play this mare today - conditioner on a down cycle in recent times.

Don't see him as a sure thing after that last contest. Keep this gelding in your exotics as David H Hinsley has been very successful with this horse (13 starts, 15% wins). Class droppers out of this trainer's barn have not produced the best returns in this group of contenders (35 starts, 9% wins, -33% ROI).

Several positive 'sensations' attached to this horse and his connections. This gelding has not run well for Timothy Thornton. The stretch try in the last event leaves much unanswered.

This jock/conditioner tandem has a beneficial ROI. Could be tough to bet on after that last stretch drive. Legged up by racing on the grass last time out - races on dirt in today's contest.

Definitely one of the overlays in this event given the power rating. Hard to play any horse that can't even win one time in her last ten races. Trainer Michele Boyce has not had much success with this mare (19 starts, 5% wins).

When this jock and handler team up you have to take a look. Last time this mare hit the board. Give this mare a fair chance - ran a solid outing in the last race within a month.

Tough to play this horse with this trainer's lack of recent luck. This mare is in excellent physical condition right now - ran well. Tough to bet on this one after the disappointing stretch drive in the last affair.

Most horses get better in the second outing after their first visit to the track. Didn't display enough courage in the stretch drive last time. Finished in the second half of the field last time - not a promising effort.

The addition of bandages last time out is usually a sign of deteriorating form. Last race doesn't bolster much confidence.

An on the board finish last time out. The stretch display in the last affair leaves much unanswered. Definitely a good wager with such a good power rating - should payoff big.

This horse ran a nice one last race. This jockey/conditioner duo has been producing a very profitable ROI. Chris Dorris brings him back again - recommend you stick with this racer.
