Trainer Derek Meredith has not had much success with this gelding (17 starts, 6% wins). Have to make this gelding a serious competitor - he comes off a nice contest. This rider/trainer pair has a strong ROI together.

The rest of the crowd should undervalue his chances; rates well on power rating. Vann Belvoir has not been among the best trainers (46 starts, 2% wins, -91% ROI) with two year olds. Lately, this jock and conditioner haven't been winning when they combine forces.

Rider and handler haven't had much recent good fortune together. John Brocklebank isn't on the best of streaks as of late. The addition of front wraps last time around the track is usually a sign of weakening form.
