Footnotes

WELDON tracked the pace while running in the two and three paths, rallied well when asked for more and was able to get up in time. RIO BUENO stalked the pace on the outside while going two wide around the turn, vied for the lead at the three eighths pole then began to edge clear in the stretch but was sniped on the line. BUBBALOVE lugged out at the start then went up to track the pace on the outside, took the turn in the four path and ran all out in the stretch but was no match. SHACKLEFORDS PRIDE had a clear early lead while running on the inside, got collared at the three eighths pole and grew tired in the stretch. MY BRO JOE trailed the field then swung out into the five path near the half mile pole, entered the stretch in the eight path and was kept to task through about the last seventy yards then was eased from there.
