**Footnotes**

WE MISS SUSIE broke out which tightened things up at the start for a pair of rivals, was ridden along and raced in range through early stages, prompted entering the turn and vied three deep near the five sixteenths pole, battle back with FUJAIKRAH turning for home then shook free at head of the lane, widened advantage while drifting out then secured victory in late stages and finished geared down. FUJAIKRAH sped to the lead and continued on top along the inside through the backstretch, vied for the lead inside a duo mid-way around the turn, could not match strides with winner top stretch but continued a steady bid and finished clearly second best. KIMURA was forwardly positioned in opening stages then dropped back near the half mile marker, raced five wide under firm pressure in stretch run and advanced to gain a share. PRINCESS ULELE was forced to check when WE MISS SUSIE broke out at the start and raced near then in the back, showed response under a drive along the rail around the turn, advanced position up the inside in upper stretch then flattened in late stages. AUNT NADINE steadied at the start and raced in the back then angled to the inside and quickly moved up closer while a bit keen and steadied slightly near the half mile marker, remained in steady pursuit off the top trio around the turn, pushed on three to four wide in stretch run and had no late kick. MANDAMUS was forwardly placed just off the leader through early stages, let out a notch and advanced two wide to challenge Fujairah for the lead, took on the added challenge of the winner just after and vied between foes midway through the turn, could not move on for the lead at the quarter pole then steadily faded.
